

**East Coast President Gil Crosby**

Gil Crosby has been an Organizational and Leadership Development Professional since 1984. He has a unique ability to connect with people from all walks of life, from the top of an organization to the bottom. He's quick on his feet, mixing proven methods with creative solutions. His skill as a catalyst of deep transformation keep him in demand as a speaker, coach, and consultant.

*"Gil Crosby practices what he preaches."* - Nuclear Power Plant Leadership Development Participant

*"Gil Crosby is a catalyst. He's the added ingredient that makes the chemistry work."*  
- Manager of a joint venture between two competing companies that was stuck in emotional gridlock

*"Gil Crosby is very articulate and delivers himself in such a way that all can get the gist of whatever views he's putting across. He's pleasant, jovial, and flexible. He's got roots."* - Jamaican Bauxite Industry Tough Stuff Participant
